## One off events

### Lewes Film Club

**doors 19.30 for 20.00 start**  
**12 December M**

Fritz Lang, Germany, 1931

Run time: 110 mins

Lang's first sound film was based on the real-life manhunt for the Dusseldorf child murderer. A radical, analytical film that contains many of Lang's fascinations – innovative use of sound; the detail of police procedure; the parallels drawn between organised police behaviour and the underworld. A subversive film, or more simply a movie brimming over with the ferment of Lang's imagination at its height?

### 15 December A Bunch of Amateurs

Kim Hopkins, GB, 2022

Run time: 95 mins

A real treat for Christmas (or indeed any time of year): this dive into the world of the Bradford Movie Makers club (est.1932) is full of both hilarious eccentricity and moving insight. Thrill to homemade shorts such as *The Haunted Turnip!*

See *Oklahoma!* restaged on a shoestring!

Above all, admire the sheer resourcefulness and passion of the BMM faithful in keeping their club and their hobby alive.

Become a member for £100 for the 2023 to 2024 season or pay £7 on the door.
